- Summary and Reflection Paper (4)

Standards:

CEC:

1a. Family systems and the role of families in the educational process

4d. Select, adapt, and use instructional strategies and materials according to characteristics of the individual with exceptional learning needs

10a. Collaborate with families and others in assessment of individuals with exceptional learning needs
Ohio Standards for Principals:

4. Principals establish and sustain collaborative learning and shared leadership to promote learning and achievement of all students.

5. Principals engage parents and community members in the educational process and create an environment where community resources support student learning, achievement and well-being.

Lesson Activities:

Activity 1:
Review the Steps in the IEP Process online resource. Create a flow chart identifying each step and a description of what happens in each step.

http://www.education.com/reference/article/steps-individualized-education-program-IEP/

Activity 2:
Using a blank IEP template and the ODE IEP Annotations document, provide a summary of what each section entails on the blank IEP template.

Activity 3:
Review the IEP Team Members and Roles online resource. Create a document that lists each team member and describe his or her role. Be sure to address the role of the following team members: parents, teachers, special educators, administrators, and related service providers.

Chapter two of the IEP Checklist will be a resource.

Activity 4:

Complete the Peabody IRIS Module regarding IEPs

“What resources should Ms. Milton consult to learn more about Evan’s and Emily’s needs?”
