Rehabilitation Counseling

Agencies should assign one staff member to supervise the intern. (However, if no one at the agency has both a CRC and (L)PC, or CCDC III and (L)PPC you will need two supervisors.) The Site Supervisor will complete an Internship Student Evaluation (provided by the internship student), and review it with the internship student, and return it to the internship student, who will turn it into the University Supervisor, Department of Human Services (108 ALLYN HALL) at the midterm and no later than finals week of the semester.

- Site supervisors must be available to observe students performing all activities required of the internship experience. This includes but is not limited to: leading a group, individual counseling/academic advising with a student, communication with parents, facilitating a classroom guidance lesson, and collaboration with other professionals in the building.
