A student’s program of study is administered by the department or college/school and is subject to approval by the Graduate School. Since program requirements vary by department and college/school, it is important for students to become acquainted with these specific requirements since these, as well as university requirements must be satisfied.

Listed below is a summary of the requirements graduate students must complete to earn a master's degree at Wright State University.

1. Complete a Program of Study form.
2. Complete the requirements for the graduate degree within seven calendar years.
3. Achieve a cumulative grade point/hour ratio of at least a 3.0 in all courses taken for graduate credit (no more than nine quarter/six semester hours of C are acceptable.)
4. Successfully complete the exit proficiency requirement.
5. Present one copy of an approved thesis (if required in program).
6. No more than 50% non-degree and/or certification hours may count towards degree.

This is for semester degree requirements only. For other program requirements, please contact the appropriate program offices.
